An additional fee of £540 applies for a non-participating partner, covering accommodation for 6 nights in a shared student room (two single beds) and full board (3 meals per day).

# What is not included?

Travel to and from Rochester.

## Payment & Cancellation Policy

**Payment Deadline:** March 1st, 2026

Installment plans are available upon request.

To keep costs as low as possible, we did not include an additional fee to cover potential short-notice cancellations. This would have added approximately £300 to each participant's cost.

**If the workshop is cancelled by Yaakov** due to unforeseen circumstances (e.g., another Covid outbreak, war, etc.), you will receive a 100% refund.

As we are not responsible for travel arrangements, airline tickets, etc. We strongly recommend purchasing travel insurance and a flexible flight ticket.

**If you are unable to attend for any reason**, the following rules will apply:

- **If we find a full-paying replacement** (we'll do our best to help fill your spot), you will receive a full refund.
- **If a replacement is found at a discounted price**, you will be responsible for covering the remaining balance to meet the full cost.

I have made commitments to the property and staff. As a result, I will still need to pay these costs, even if someone cancels.

If no replacement is found, we will do our best to offer a partial refund or credit you toward a future workshop. The percentage of the refund or credit will depend on the number of participants, but please understand it may not exceed 50%.

We believe this policy is fair, but we welcome any feedback on how it can be improved.

## Next Steps

Once you've registered, Yaakov will meet with you online to discuss your current playing level and main goals before the retreat. He'll also help you create a tailored practice schedule to ensure you arrive fully prepared. We welcome players of all levels, and each participant brings their own strengths and challenges. We'll learn, play, and improve together while having fun. All levels are welcome!

Once everyone has confirmed their attendance, we will set up a WhatsApp group where we can share workshop details, travel information, song choices, and anything else relevant to the retreat.

If you have any food allergies, need assistance with travel arrangements, or want recommendations for local sites to visit, the WhatsApp group is the perfect place to discuss these matters.
