

**Blue Sky**  
The Allman Brothers

*Each chord gets two beats unless otherwise noted.*

**Intro:** / E - A - / - - (E) - / x2  
/ E - D - / A - / E - - - /

E                    B            A                    E  
Walk along the river,        sweet lullaby  
E                                    B            A (2)  
It just keeps on flowing, It don't worry 'bout where it's going  
/ E - - - / B - (A) - /

E                                    B                                    A                                    E  
Don't fly Mister Bluebird, I'm just walking down the road  
E                                    B                                    A (2)  
Early morning sunshine, tells me all I need to know

**Chorus:**

B                    A                    E                    A  
You're my blue sky, you're my sunny day  
B                                    A                                    E                                    A  
Lord you know it makes me high when you turn your love my way  
A                                    F#m (1 hold)  
Turn your love my way, yeah

**Solo:** / E - - - / A - - - / x36  
/ E - - - / B - (A) - /

E                                    B                                    A                                    E  
Good old Sunday morning, bells are ringing everywhere  
E                                    B                                    A (2)  
Goin' to Carolina, it won't be long and I'll be there  
/ E - - - / A - - - /

**Chorus 2:**

B                    A                    E                    A  
You're my blue sky, you're my sunny day  
B                                    A                                    E                                    A  
Lord you know it makes me high when you turn your love my way  
A                                    F#m (hold 6 beats)  
Turn your love my way, yeah

/ E - A - / - - (E) - / x2  
/ E - D - / A - - - /

**End on E**
