BEAT SUB-DIVISION

- Whole**
4 beats
- Half**
2 beats
- Quarter**
1 beat
- Eighth**
1/2 beat
- Sixteenth**
1/4 beat

Each whole measure is divided evenly into 4 beats, represented here by ★. The beat is the pulse of the song, the part that gets your toes tapping. The Time Signature (4/4) tells us that each measure contains 4 beats, that's what the top number represents. The bottom number, also a 4, indicates those beats are measured in 1/4 notes.
